

**Rainbow City Public Library**  
**2024 Summer Reading Program**  
**Kids Registration Form**

***Adventure Begins at Your Library – kids program*** is for children ages 12 & under. Please register online or complete this form and return it to the circulation desk by June 29, 2024. You may pick up your first reading log, a copy of the program schedule & rules, and a bookmark at the circulation desk.

Books, eBooks, and audiobooks checked out from RCPL may be counted on your reading log. If you listen to audiobooks and want to count “pages” instead of books, use the number of pages found in the print edition of the title. Pre-readers may have books read aloud to them.

I agree to read at least 15 library books or 1,000 pages this summer in the reading program.

**I understand I will earn a prize for each reading log I complete and return to the library by 7:00pm on July 31, 2024 and that I must return at least one completed reading log by Wednesday, July 10, 2024 to attend one of the reward parties.**
